**Binnacle-School
Third-Party
Arrangement**

This Binnacle Training Program is delivered via a third-party arrangement with individual partner schools.

Binnacle Training (Lead RTO) – Responsibilities:

- ☑ Provision of all requisite training and assessment resources, plus online learning – via Learning Management System (Binnacle Lounge).
- ☑ Ongoing program support, including dedicated Program Manager and Administration Officer.
- ☑ Outcomes of training and assessment.
- ☑ **Skills Assure Supplier (SAS) specific:** Upholding “The 50% Limit” regarding delivery of training and/or assessment services by a third party. “The 50% Limit” applies only to students accessing their VETiS subsidy for the VETiS-funded qualification on Binnacle Training’s SAS delivery schedule (SIS20122 Certificate II in Sport and Recreation).

School (Third-Party) Responsibilities:

- ☑ Human Resources (Program Deliverer and at least one nominated back-up deliverer)
- ☑ Physical Resources (equipment and facilities)
- ☑ Facilitation of training and assessment services, on behalf of Binnacle Training as the RTO.

School and cohort-specific information, required by Binnacle Training (as per the Standards for RTOs 2015 - Clauses 1.1 to 1.4 and 2.2 – Implementing, monitoring and evaluating training and assessment strategies and practices), is collected via the Binnacle Training Third-Party Agreement (Fillable) as completed by the Third-Party (School) and approved by Binnacle Training.

Target Group

This program is offered to senior high school students (commencing in Year 10 or Year 11) wanting to:

- seek skills and an entry-level qualification for the Sport, Fitness & Recreation (SFR) industry; and
- use the qualification as an articulation into:
 - a higher certification (e.g. Certificate IV in Fitness); or
 - University (e.g. Bachelor of Sport & Exercise Science).

Fitness Industry Expectations - Employees 18+ Years

Employers in the fitness industry generally expect their employees to be at least 18 years of age to hold a position that assumes duty of care for participants. As a 2-year program, Binnacle Training ensures that learners will be approaching - or will have turned - 18 years of age by the expected course (SIS30321) completion date.

QLD SCHOOLS

Upon successful completion, students are certified with a maximum 8 Queensland Certificate of Education (QCE) credits as follows:

SIS20122 Certificate II in Sport and Recreation (10 units)	SIS30321 Certificate III in Fitness (9/15 units; 6 overlapping units reported as Credit Transfer)	Expected Total QCE credits (assuming 90% or greater new learning)	Comments
4	4*	8	* Maximum 4 Credits obtained from Certificate III (50% new learning)

**Entry
Requirements**

There are no formal training package entry requirements for this qualification, however a Language, Literacy & Numeracy (LLN) Screening process is undertaken at the time of initial enrolment to ensure students have the capacity to effectively engage with the content.

Students require [AQF level 3](#) written and spoken English and numeracy skills to be able to meet the Foundation Skill requirements within the units of the Certificate III qualification.

	<p>The Certificate III in Fitness qualification is delivered as a 'Fee for Service' offering only as per the Binnacle-School invoicing arrangement.</p> <p>Students must have access to all physical resources (either individually or through resources supplied by the school) as outlined in the section 'Physical Resource Requirements' below.</p>
--	---

Skills Assure Supplier (SAS)	<p>The Certificate II in Sport and Recreation (SIS20122) qualification is currently eligible for funding under the Queensland Government's Vocational Education and Training in Schools (VETiS) initiative. Binnacle Training is a Skills Assure Supplier (SAS) for the SIS20122 Certificate II in Sport and Recreation qualification.</p> <p>The Queensland Government's VET Investment Budget will provide funding for students to complete one VETiS qualification on the Priority Skills List whilst attending secondary school (in Years 10, 11 and 12).</p> <p>Binnacle Training also offers the Certificate II in Sport and Recreation (SIS20122) as a 'Fee for Service' program for schools, as per the Binnacle-school invoicing arrangement. At the time of enrolment, eligible students will choose whether or not they wish to access the VETiS subsidy specific to the VETiS-funded qualification.</p> <hr style="border-top: 1px dashed black;"/> <p>"The 50% Limit" on delivery of training and/or assessment services by a third party:</p> <p>As outlined in the SAS Third Party Arrangements Directive, a prohibited subcontract is where a third party (e.g. School) is subcontracted to deliver more than 50% of the services associated with any qualification listed in the supplier's Delivery Schedule. "The 50% Limit" applies <u>only to</u>:</p> <ul style="list-style-type: none"> • Students accessing their VETiS subsidy for the VETiS-funded qualification on Binnacle Training's SAS delivery schedule (SIS20122 Certificate II in Sport and Recreation) who enrol from 1 July 2021. • The delivery of training and/or assessment services by a third party under Binnacle Training's SAS Agreement i.e. <u>does not apply to 'Fee-for-Service'</u>. <p>Binnacle Training engages third parties (individual high schools) in the delivery of training and assessment services specific to the VETiS-funded qualification: Certificate II in Sport and Recreation. Binnacle Training will manage "The 50% limit" at a student level – whereby Binnacle Training will itself deliver and assess half of the units of competency associated with the VETiS-funded qualification (i.e. no delivery and assessment by the third party for half of the units).</p> <p>Refer to the table on page 2: 'Qualified Trainer and Assessor' (per unit of competency) which illustrates these units of competency (6 in total) to be delivered by Binnacle Training staff (online delivery).</p>
-------------------------------------	--

Learning and Assessment Arrangements	<p><u>DURATION</u></p> <p>The program content has been packaged into <u>7 terms</u> [based on delivery across one line on the timetable (minimum 3 lessons per week, i.e. 210 minutes per week) over 2 years]. All evidence requirements pertaining to the entry qualification SIS20122 Certificate II in Sport and Recreation are scheduled across Terms 1-4. Terms 5-7 evidence requirements are aligned only to SIS30321 Certificate III in Fitness.</p> <p>A blended-delivery model will be used whereby students will have access to:</p> <ul style="list-style-type: none"> • Trainer-led classroom delivery of content. • Online modules that house learning content (within the Binnacle Lounge). • Assessment activities to be completed online within the Binnacle Lounge. • Assessment activities and projects to be completed in the classroom and/or student-led environment. • Participation in an Industry Discovery – at a Fitness-related workplace (recommended, however, not compulsory). <p>This program uses single unit and clustered assessment.</p>
---	--

Assessment and training will be conducted at the school. Assessment methodologies will vary according to specific requirements of the Units of Competency. A range of methods will be used, including:

- Knowledge quizzes, short answer questions and other project/case study reports.
- Skills demonstrations, reports, documents, observations.
- Simulated assessment environment (Fitness-related industry) – located at the school - for demonstration of skills (practical observations).

Under supervision, students will instruct a range of fitness programs as well as completing practical experience (may be outside of their timetabled subject) to deliver a range of fitness activities and exercise programs to members of the school community (students and staff). Students will also work in the gym facility at the school with authentic clients, which will involve delivering exercise programs to a range of clients, including adult males (18+ years), adult females (18+ years) and older adult clients (55+ years).

'VOLUME OF LEARNING' AND 'AMOUNT OF TRAINING'

Volume of Learning (VoL)* per the Australian Qualifications Framework volume of learning indicators:

Certificate II = 0.5 – 1 year (600 – 1200 hours)

Certificate III = 1 – 2 years (1200 – 2400 hours)

** VoL describes how long a learner who does not hold any of the competencies identified in the relevant units of competency or modules would take to develop all of the required skills and knowledge. Further, the VoL includes all teaching, learning and assessment activities that are required to be undertaken by the typical student to achieve the learning outcomes. These activities may include some or all of the following: guided learning (such as classes, lectures, tutorials, online study or self-paced study guides), individual study, research, learning activities in the workplace and assessment activities. (AQF, Volume of Learning).*

Amount of Training (AoT) for this program consists of classroom learning, self-study and practical work-related experience.

Classroom learning = 266 hours (1 study line over 2 years - 3.5 hours x 76 weeks).

There is also an element of self-study (formative activities scheduled for students to undertake outside of class time). These activities are used by students to enhance their understanding of the content and are undertaken prior to assessment for that particular module or topic of study. Across this 2-year program, Binnacle has devoted an additional 70 minutes per week (the equivalent of one additional lesson per week) for these formative activities.

Self-Study (Formative Activities) Hours = 89 hours (i.e. 1.17 hours x 76 weeks)

An additional 40 hours of practical work-related experience is undertaken by students across the program. While some of these hours may be achieved during devoted class lessons, due to the nature of client fitness training some practical experience will be undertaken outside of these class hours.

Practical Work-related Experience = 40 hours

TOTAL AMOUNT OF TRAINING (AoT) = 395 hours (266 + 89 + 40)

Binnacle rationalises the VoL hours gap (i.e. VoL 1800 hours LESS AoT 395 hours = 1405 hours) by:

- Students entering the subject with a large base of foundational skills and knowledge from prior and concurrent learning (e.g. Years 9-10 HPE and other sporting/fitness involvement, including as an athlete/player).
- There is a large amount of overlap (clustering) of units across the terms.
- There is an element of self-study that students may undertake to deepen their own understanding of the content.

Learning and Assessment Arrangements	<p><u>ORGANISATION</u></p> <p>The program will be delivered using class-based learning as well as a real fitness environment (including a gym) located at the school which involves delivering a range of fitness programs to adolescent, adult and older adult clients.</p> <p>A range of teaching and learning strategies will be used to deliver the competencies including:</p> <ul style="list-style-type: none"> ● Practical tasks ● Client interactions ● Group work ● Programs within the school (generally a minimum of two different fitness programs per term) ● Practical experience within the school fitness centre (i.e. group exercise, outdoor fitness, one-on-one gym programs) <p>Evidence contributing towards each competency will be collected throughout the program. This evidence will be used to make judgements of competency that are aligned with, and reflect, the requirements of each unit of competency.</p>
---	---

Learning and Assessment Arrangements	<p><u>LANGUAGE, LITERACY AND NUMERACY ASSISTANCE</u></p> <p>Support is available to all students and can be organised - through the deliverer - on a case-by-case and as needed basis throughout the program.</p> <p>‘Reasonable adjustment’ is offered for most assessment items. This is indicated in the assessment table at the top of each assessment and is allocated based on the unit of competency requirements.</p>
---	--

Learning and Assessment Arrangements	<p><u>OPPORTUNITY FOR RPL AND CREDIT TRANSFER</u></p> <p>Recognition of Prior Learning (RPL) is an assessment process that evaluates an individual’s informal learning to determine the extent to which that individual has achieved the required competency outcomes.</p> <p>Credit Transfer is applying credit for a unit of competency that has previously been completed (successfully) by a student. Credit Transfer is offered both at enrolment and throughout the training program. A verified copy of the student’s Qualification and/or Statement of Attainment listing the units of competency that have previously been completed is required as evidence for Credit Transfer.</p> <p>Both RPL and Credit Transfer are available to students. Due to students being of high school age, usually with limited prior qualifications or work history, students typically undergo a train-to-assess pathway. An RPL assessment pathway will require verifiable evidence of a student’s prior learning (e.g. Statement of Attainment for previously completed superseded units).</p>

Validation by Industry:</p> <ul style="list-style-type: none"> An internal review conducted annually with an industry representative to check that the standards expected of students are consistent with current industry practice. The internal review will examine the learning and assessment strategy and identify areas for improvement. The internal review will also evaluate all assessment instruments to ensure that they are appropriate for the units of competency and reflect the unit requirements (i.e. elements, performance criteria, performance evidence, knowledge evidence and assessment conditions). Validation for each unit of competency includes: <ul style="list-style-type: none"> Pre-assessment validation (to confirm assessment process and instruments meet the requirements of the Principles of Assessment); completed every 24 months (minimum); and Post-assessment validation (to confirm assessment evidence provided by the students and the judgement of that evidence meets the requirements of the Rules of Evidence). Completed every 3 years (minimum). <p>2. Assessment Instrument Review:</p> <ul style="list-style-type: none"> A Binnacle Program Development Specialist and an industry expert will review all assessment instruments to ensure that they are appropriate for the units of competency and reflect the unit requirements (i.e. elements, performance criteria, performance evidence, knowledge evidence and assessment conditions) with improvements noted and acted upon. Completed annually.

<p>Foundation Skills</p>	<p>Foundation Skills are the combination of communication skills and generic, non-technical skills and capabilities considered essential to meet the complexities of life in a modern society. ‘Communication’ skills included in Foundation Skills are English language, literacy and numeracy (LLN).</p> <p>All units of competency within new streamlined Training Packages have Foundation Skills either embedded in the unit performance requirements or listed explicitly.</p> <p>Each unit of competency selected to comprise this program has Foundation Skills that are relevant to the context of the learning outcomes and are applicable to work and life situations.</p>
<p>Student Feedback</p>	<p>Student feedback is collected and analysed. Feedback from students in relation to assessment processes, methods and instruments will be collated, analysed and improvements made in the light of student suggestions. Formal surveys/questionnaires as well as informal processes at the end of each unit of work will be used to gather data. Throughout the course, data is collected in relation to Quality Indicators. Binnacle Training also has a published Complaints and Appeals Policy which provides students and others with avenues to make a complaint or to appeal a decision (including assessment decisions) directly with Binnacle Administration.</p> <p>Date for data analysis: December (annually)</p>
