## 1.1. Optional Entry Qualification – SIS20122 Certificate II in Sport and Recreation

Students are provided the opportunity to undertake the optional entry qualification: **SIS20122 Certificate II in Sport and Recreation** - at no additional cost - across Terms 1-4. Seven units of competency in the Certificate II in Sport and Recreation (SIS20122) overlap with the Certificate III in Sport, Aquatics and Recreation (SIS30122). The remaining three units in SIS20122 are strongly aligned with respective units in SIS30122.

## 1.2. Benefits of undertaking the optional entry qualification – SIS20122 Certificate II in Sport and Recreation

There are numerous benefits to also undertaking the optional entry qualification including:

- **An additional qualification.** The SIS20122 Certificate II in Sport and Recreation qualification is finalised upon completion of Terms 1-4 - providing a Term 4 exit point (a completed Certificate II qualification = **4 credits**, QCE category – **core**).
- **No additional learning and an identical QCE outcome.** Seven units of competency in the SIS20122 Certificate II in Sport and Recreation overlap with the SIS30122 Certificate III in Sport, Aquatics and Recreation and the remaining 3 units are strongly aligned with respective units in SIS30122 and students can earn a maximum of 7 QCE credits (completion of optional '4 Week Add-On' in Term 7 as well can result in a maximum 8 QCE credits outcome).
- **Earlier employment opportunities.** The Certificate II in Sport and Recreation has tangible, paid employment opportunities such as an activity assistant, junior coach or junior official (e.g. referee).
- **Queensland students only: Access to Vocational Education and Training in Schools (VETiS) Initiative, funded by the Queensland Government.** Binnacle Training is approved as a Skills Asure Supplier (SAS) for the VETiS funded qualification: SIS20122 Certificate II in Sport and Recreation. For eligible students who choose to access their VETiS funding for the Certificate II in Sport and Recreation, Binnacle Training will waive ALL participant fees pertaining to the Certificate II qualification, as invoiced to the school. For more information visit [binnacletraining.com.au/for-schools/vetis-funded-qld](http://binnacletraining.com.au/for-schools/vetis-funded-qld).

However, **for Queensland students who may also be undertaking QCAA's Applied Sport & Recreation (separate senior subject at their school):** these select students may be most suited to not undertaking the optional entry qualification, depending on their desired QCE credits from their combination of senior subjects. This is due to the duplication of learning - deemed by the Queensland Curriculum and Assessment Authority - specific to the entry qualification: SIS20122 Certificate II in Sport and Recreation (reference: [QCE Handbook, Clause 2.3.1 Applied subjects and Certificate II VET qualifications with duplication of learning](#)). If this may apply to you, please discuss with your School VET Manager prior to your official enrolment (Binnacle can ensure no enrolment in SIS20122).

## 2. Program Outline

---

The program involves developing the entry level skills and knowledge required of an employee in the Sport, Fitness and Recreation (SFR) industry. This learning involves practical experience as an 'Activity Assistant' and 'Community Official/Coach' and will take place in a range of settings, including the classroom, outdoors and the SFR facilities at the school.

Students work alongside a qualified SFR Trainer (teacher) and other fitness/sport coaches to deliver community-based SFR activities and programs to students within the school community.

Assessment activities include practical and knowledge tasks throughout the program. Knowledge tasks generally take the form of short answer quizzes and research tasks that are completed online. Many of the practical tasks will also involve completing an industry document (e.g. Session Plan).

## 3. Completing Assessments

All assessment resources are online (practical components are completed in a Sport, Fitness and Recreation (SFR) environment e.g. the school gym) and each term has a specific number of assessment tasks.

Assessment completion will be regularly reviewed by the trainer and assessor and if incomplete or not yet satisfactory, it may be necessary to finalise the assessment outside of class time (e.g. during exam block) before the next school term commences.

Completed assessment and associated documentation will be stored online in the Binnacle Lounge for the trainer and assessor to mark ('Satisfactory' or 'Not Yet Satisfactory').

Students will need to provide/have access to a computer, laptop or tablet device with an internet connection.

<b>1. Students complete the assessment each term:</b>	<ul style="list-style-type: none"><li>• Knowledge assessments completed online in your Binnacle Lounge.</li><li>• Demonstrate required skills in practical tasks.</li><li>• Access to training resources to assist with assessment are provided in the respective assessment tab.</li></ul>
<b>2. Assessor marks your assessment:</b>	<ul style="list-style-type: none"><li>• Some knowledge assessment items are 'auto-marked' by the Binnacle Lounge learning platform.</li><li>• The assessor will mark your other assessment items (e.g. project, practical and case study).</li><li>• The sign-off page in each term is where feedback is provided and the outcome of each assessment item recorded.</li></ul>

### 3.1 Student Misconduct with Online Assessment and Disciplinary Procedures

Some assessment question types allow for students to submit evidence that may be the same or similar to that of another person or source (e.g. a group session plan for a project upload or a response to a knowledge question copied from a website or a presentation). Outside of these occasions, Binnacle Training must ensure the evidence contributing to a unit of competency is authentic (i.e. able to be proved as their own work).

Cheating or copying/plagiarising material from another person or resource is strictly prohibited.

The below statement is included in the sign-off for each Term:

I, the Candidate:

- Confirm the authenticity of the work submitted as my own, unless otherwise authorised by the assessment conditions.

In addition to an assessor checking for copying and/or plagiarised material, Binnacle Training as the Registered Training Organisation undertakes regular reviews of student assessment evidence.

As outlined in our Participant Handbook (Section 8 - Student Misconduct & Disciplinary Procedures), **Binnacle Training will not tolerate misconduct under any circumstance and a student may be asked to leave the program with no refund for misconduct such as cheating or plagiarising material.**

# 5. Career Pathways

Graduates of SIS30122 Certificate III in Sport, Aquatics and Recreation may explore further tertiary pathways such as a Diploma of Sport (SIS50321) or Certificate IV in Fitness (SIS40221) with another training provider. Binnacle Training will provide training pathway opportunities for consideration as students are approaching course completion. See Figure 2 below.

## 6. Binnacle Training Third-Party Arrangements

As the RTO, Binnacle Training engages individual secondary schools under a third-party arrangement to provide physical and human resources to deliver training and conduct assessment.

**Binnacle Training Responsibilities:** Enrolling students into the VET course, training and assessment outcomes, issuing certificates and testamurs, and ensuring that the VET course is on its scope of registration at all times.

**School Responsibilities (as the third party):** The provision of adequate physical (equipment and facilities) and human resources (program deliverer i.e. qualified trainer and assessor), and facilitating training and assessment services on behalf of Binnacle Training including the provision of student support services such as language, literacy and numeracy (LLN) assistance.

## 7. Student Enrolment

Student enrolment into the program requires the school to have a current third-party agreement in place (enrolment is unable to be finalised until this requirement has been met).

## 8. Language, Literacy and Numeracy Skills

A Language, Literacy and Numeracy (LLN) screening process is undertaken within the Pre-Enrolment Pack to ensure that students have the capacity to effectively engage with the content and to identify support measures as required.
